++ Valid for broadcast between 1800 and 0600

Headline:
Becoming cloudy with outbreaks of rain.

This Evening and Tonight:
A bright evening with some increasingly hazy sunshine but cloud spreading southeast with patchy rain expected to reach Galloway by midnight. Then a mostly cloudy night with occasional rain, although the Borders look drier with a few clearer spells. Minimum temperature 10 deg C (50 deg F).

Wednesday:
Cloudy with outbreaks of rain and drizzle, light winds mean it will be quite dreich in the west with some coastal fog. Eastern Borders may stay dry with some brightness. Maximum temperature 19 deg C (66 deg F).

Outlook for Thursday to Saturday:
Mostly cloudy, but warm and humid, Thursday with occasional rain. Rather cloudy Friday with further outbreaks of rain. The rain clearing overnight to leave Saturday dry with sunny spells.
